

Monster . . . Duncan, front, and Stephen

Catfish is a fatfish

ANGLERS Duncan Rooke and Stephen Buss net a 221lbs catfish — and TWO records.

The 7ft 7in beast, reeled in near Barcelona, is the biggest freshwater fish caught by Brits — and Spain's biggest ever. Duncan, 30, of Woking, Surrey, said: "It took five of us. She dragged me off the bank."
